Reminders

The zigzags out of school are not for parking on, these are there to enable a clear and safe crossing for children and parents entering the school. Please do not park on them, the safety of our children is at risk.

Please can I remind parents that the carpark is for the use of school staff and visitors only and should not be accessed by parents without prior agreement with the Headteacher.

The roof as you are aware is not finished and we have now have a date for completion of the 27th September, so please be mindful when moving around the site. If you notice any issues please bring it to our attention.

PE kits need to be in school and labelled with names in.

If your child is being collected by another adult, please can you contact the school office to inform us.

We are a nut free school as we do have children that are allergic to nuts. This includes no products containing nuts including peanut butter and chocolate spread.

Attendance - is vital to a child's education and please parents can we ask you contact the office on the first day of your child's absence and if they need to go to the doctors, medical evidence must be provided to ensure a child's absence is recorded.

Forest School

As part of your child's learning this year every class will be doing forest school every week with Mrs Root. The children will need long trousers, long sleeved top, wellies or walking boots and a coat. If your child has a morning slot, they need to come ready for forest school and bring their uniform to get changed into. Please find the day below for your child's class:

Monday - Year 3 pm

Tuesday - Year 6 pm

Wednesday - Year 5 am/Year 4 pm

Thursday - Year 2 am/Reception pm

Friday - Year 1 pm

Whilst your child is in forest school they will be learning about the outdoors, different knots, exploring ways to cook outside, use of materials to paint and build with, climbing trees, building rope walks and dens, taking on new challenges and activities that will build upon key skills learnt. Most of all they will be having fun, whilst learning.

National Sporting Award for Caslon!

We are delighted to announce that we, Caslon Community Primary School, have achieved the School Games Silver Mark Award for the 2018/19 academic year.

The School Games Mark is a Government led award scheme launched in 2012, facilitated by the Youth Sport Trust to reward schools for their commitment to the development of competition across their school and into the community, and we are delighted to have been recognised for our success.

Our sporting achievements this year include:

Increased curricular time for Physical Education

Increased amount of Swimming lessons and percentage of children achieving 25 metres

Greatly increased involvement in competitive fixtures and competitions

Semi Finals of Tag Rugby

First time ever to qualify for the Black Country Games annual competition

Nominated for Cricket's 'Chance to Shine' Dudley School of the Year Award

Caslon has shown time and dedication to compete in local inter-school competitions this year, we are extremely proud of our pupils for their dedication to all aspects of school sport.

As part of our application, we were asked to fulfil criteria in the areas of participation, competition, workforce and clubs, and we are pleased that the hard work of everyone at our school has been rewarded this year.

We look forward to applying once again in 2020!
