

Head teacher: Mrs Holden-Gough

Weekly Newsletter - 23rd October 2020

Thank you for all for your continued patience and support over this first half term. We have survived and the children have been able to be in school for all the time, which is what we are consistently trying to achieve. Please continue to keep us informed and work with us to ensure the safety of all.

We are still not able to offer breakfast club or after school club, we will keep this under review and keep you informed if anything changes.

Everyone looked amazing in their costumes and great fun was had across school.

Continued practices to keep everyone safe

- Parents will follow the one-way system whilst on site when bringing their child to school. Entering from the top gate and leaving via the bottom gate. Parents to leave children at the top gate in a morning and they can walk down with other children in the year group.
- Parents adhere to the social distance measure in place of 2 metres apart from other family groups.
- Only one adult will bring their child to school.
- Your children will come to school in clean school uniform daily
- Your child will need to bring everyday a packed lunch in a lunch box and a water bottle
- We will not be able to have conversations with parents at the gate, so we ask please that you use Dojo and contact staff.
- If your child develops any symptoms, you will self-isolate the family, you will contact school via 01384 818875 or through dojo to Mrs Holden-Gough
- Parents and children will not congregate at the school gates.
- Parents strictly adhere to the drop off and pick up staggered timings.
- Parents will not be allowed in the school building unless there is an emergency.

Staggered times altering for after half term (only drop off is changing):
