### Reminders

School uniform is black or grey trousers and not jeans. Black school shoes should be wore and not trainers. Thank you for your cooperation.

If another parent is picking up your child you must inform us via the school office, so we can let staff know. Children will not be allowed to go with another adult unless this we have been notified.

Please can I encourage you to listen to your children read on a daily basis where possible and record in their reading records. Reading is the key to the world and

**Attendance** - is vital to a child's education and please parents can we ask you contact the office on the first day of your child's absence and if they need to go to the doctors, medical evidence must be provided to ensure a child's absence is recorded.

**Social Media:** We all use social media within our daily lives and whether it's WhatsApp or Facebook or another app, it's a wonderful way to communicate with others.

However, can I remind all adults (we already remind the children) that you should never post anything you would say to someone's face and whatever you post it is there forever.

I am raising this matter to specifically remind parents that if you have issues about school, these need to be brought to our attention. If anything, inappropriate links school, staff or children on any social media, appropriate action will be taken.
