

Head teacher: Mrs Holden-Gough

Weekly Newsletter - 7th June 2019

Congratulations to Mrs Harper (Becky) as she leaves today to move onto the next chapter of her life in becoming a mom. Good luck!

Well done to everyone for coming in your PJ's you all looked amazing!

Before half term our cricket team took part in a Kwik Cricket tournament at Stourbridge County Cricket club. Our Year 5 and 4 pupils have received training from coaches from Worcester cricket club every week for the past few months, so the children were very prepared and excited about the tournament. In a very close and enthralling first game, which went down to the last ball, Caslon came out as winners. Unfortunately, we lost our next three games against some very good teams, but well done to all the boys and girls who took part.

Our year 5/6 girls also took part in another cricket tournament this week. They performed really well and won their first game convincingly. Unfortunately they lost their next 3 games, but still did fantastic, finishing 8th out of the 12 schools who took part. All this cricket has got us all in the mood for the cricket world cup!

Our Year 5/6 girls have been getting into the mood for the upcoming women's football world cup. The girls have been training every week in preparation for a girl's league taking place during June. There are a lot of sporting events coming up in June. Watch this space to see how we get on!

Dinner prices have increased to £2.40 per meal. Thank you for bearing with us during this transition time. School Menu Week 3 - see separate message with menus attached.

Reminders

As you can see around our building, we now have scaffolding we are about to start works next week on a new roof for the school, this project will take us all the way through until the 31st August. Please be mindful when moving around the site.

Please can you check your child's hair, we have had a few cases of head lice within school.

Please note school uniform is an essential part of school life, we will be monitoring this closely over the next couple of weeks. Children need to ensure they are in school shoes (Black), summer dresses can be worn for girls.

Naming uniform this time of year children regularly remove their cardigans and sweatshirts as it becomes warmer during the day. Please ensure that these are named as children need to be able to identify their own clothes.

PE kits need to be in school and this includes, blue shorts, yellow t-shirt and school pumps. Please can I remind parents that the carpark is for the use of school staff and visitors only and should not be accessed by parents without prior agreement with the Headteacher.

Attendance - is vital to a child's education and please parents can we ask you contact the office on the first day of your child's absence and if they need to go to the doctors, medical evidence must be provided to ensure a child's absence is recorded.
