Reminders

If your child has had sickness or diarrhoea they can not come to school until 48 hours after the last occurrence. It is really important that we keep to this rule to ensure that other children don't catch it. Please can you reminder your children to wash their hands before eating and when they have been to the toilet. Thank you.

Please school uniform is an essential part of school life, we will be monitoring this closely over the next couple of weeks. Children need to ensure they are in school shoes (Black), summer dresses can be worn for girls.

Please can I remind parents that the carpark is for the use of school staff and visitors only and should not be accessed by parents without prior agreement with the Headteacher.

Attendance - is vital to a child's education and please parents can we ask you contact the office on the first day of your child's absence and if they need to go to the doctors, medical evidence must be provided to ensure a child's absence is recorded.
