Weekly Newsletter - 17th December 2020

I must say what a proud feeling it is to see the children so happy coming into school. Thank you for all for your continued patience and support over this Autumn term. We have survived and the children have been able to be in school for majority of the time, which is what we are consistently trying to achieve. Please continue to keep us informed and work with us to ensure the safety of all.

A big thank you to all of the parents who supported us through remote learning, you did yourselves and child proud.

Continued practices to keep everyone safe

- Parents will follow the one-way system whilst on site when bringing their child to school. Entering from the top gate and leaving via the bottom gate. Parents to leave children at the top gate in a morning and they can walk down with other children in the year group.
- Parents adhere to the social distance measure in place of 2 metres apart from other family groups.
- Only one adult will bring their child to school.
- Your children will come to school in clean school uniform daily
- Your child will need to bring everyday a packed lunch in a lunch box and a water bottle
- We will not be able to have conversations with parents at the gate, so we ask please that you use Dojo and contact staff.
- If your child develops any symptoms, you will self-isolate the family, you will contact school via 01384 818875 or through dojo to Mrs Holden-Gough
- Parents and children will not congregate at the school gates.
- Parents strictly adhere to the drop off and pick up staggered timings.
- Parents will not be allowed in the school building unless there is an emergency.
- Parents will wear a face covering when collecting and dropping off their children.
- Children can bring a small bag with their things in, that needs to hang on their pegs and will need to be wiped down regularly at home with antibac.
